Ishi Archery club is a chartered club of the National Field Archery Association & the California Bowmen Hunters/State Archery Association. This archery range is operated and maintained by Ishi Archery in partnership with county of Tehama & the U.S. Bureau of land management under Recreation and Public Purpose Act. The use of the range is free to all current members. All others must pay a \$5.00 daily use fee. There is a locked gate; only members have access to the gate lock combination.

Ishi Archery hosts at least 2 tournaments a year. These events provide the opportunity for members to shoot competitively for awards and the shoots also serve as fundraisers for the club.

As members, you are welcome to initiate any activity, just contact one of the officers for approval. If you see something that needs to be repaired, improved or added, volunteer to make it happen!

For the club to be successful, active members are needed to help maintain the range & give assistance at our shoots. All members are invited to come to the club meetings so they better understand what is happening with the Ishi Club.

Every Member must have a filled-out waiver form
