The range is located on Highway 36E 2.7 miles from the intersection of Antelope Blvd. and Hwy. 36E in Red Bluff.

We will have limited parking on the east side for pickups or SUV's. The rest can park at the entrance to the range on the west side of 36E. If you want to warm up at the practice range just drive down by the registration booth on our main range and then drive back out.

We will have registration set up 100 yards up the road after you drive/walk through the gate on the east side. You can pay and sign a waiver while you remain in your vehicle, or you can walk in. Maintain your social distancing and shoot with your own group starting on target one. The gate will be open at 0700, and you can start once you pay. Members will be available to direct shooters.
